

PARTERRE 

**5MM LOOSELAY
& RIGID CORE CLICK**

5115 White Oak

Designed for commercial and multi-family environments, 5MM Luxury Vinyl offers versatile plank and tile designs with the added durability and sound reduction of a thicker construction. Available in both loose lay and rigid core click formats, there is a 5mm option for any project or design.

5MM LOOSE LAY
& RIGID CORE CLICK
WITH ACOUSTIC BACKING

5MM LOOSE LAY

A durable flooring solution for commercial interiors and multi-family settings, 5mm Loose Lay luxury vinyl is simple to install and maintain, with a specialized backing for sound reduction and comfort, providing traction to stay in place freely after installation.

QUICKTRACK

To accommodate timing demands, Parterre QuickTrack 5mm loose lay tile and plank designs are available for immediate shipment of in-stock product and offers a minimal lead time for high quantity requests. Refer to Parterre's 5mm Loose Lay and Rigid Core Click architect folder for applicable designs.

5374 Russet Walnut

5MM RIGID CORE CLICK

WITH ACOUSTIC BACKING

Created with ease of installation in mind, 5mm Rigid Core Click combines the durability of rigid core in a glueless click format with an innovative locking system with Uniclic® technology. With its natural water, scratch and stain resistant properties combined with an attached 1mm IXPE acoustic backing, Parterre 5mm Rigid Core Click is an ideal flooring solution for multi-family and light commercial environments.

Size: 7" x 47.75 x 5mm
(Total thickness with acoustic backing is 6mm)
