Luxury Flooring + No Acclimation Required

The practicality and stand-out performance Unfazed™ offers does not mean it sacrifices visual appeal. Naturalistic designs and a classic color palette provide ideal choices for multi-family and other commercial environments.

Unfazed is always ready to be installed. It's unaffected by climate, so no acclimation is needed – ever. Installation is fast and uncomplicated. Proprietary Optique™ Coating provides superior indent, scratch, and stain resistance.

No Acclimation Required

Unaffected by climate, no acclimation needed - ever. No waiting, no time wasted.

Superior Performance

Optique™ Coating resists stains to keep floors looking newer longer.

100% Waterproof*

Perfect for high moisture areas such as kitchens, bathrooms, and laundry rooms.

Made in the USA

No delayed shipping issues. Floors are manufactured in the USA with global and domestic content.
